## PRIMARY SIX ENGLISH WEEKEND HOME WORK FRIDAY, NOVEMBER 13<sup>TH</sup>, 2020

NAME: \_\_\_\_\_

1. **Read the passage carefully and answer the questions that follow in full sentences.**

Every year, schools organize elections for prefects. This is usually carried out in second term in some schools. Prefects play a big role in the smooth running of the school. In my school, St. Agnes Primary School – Kisugu, the elections were held this term. The school electoral body announced posts to be contested for.

These posts were pinned to the school notice board. Then, interested pupils had to apply to the electoral body. Application letters were carefully observed by the electoral body and those fit for the posts, had their names hung on the notice board after the vetting process. This showed that they had been nominated for the posts.

Aspiring candidates designed posters to facilitate the campaigns. The campaigns began seriously as all candidates promised to do whatever was necessary if voted.

When the polling day came, pupils voted wisely and made sure that their democratic powers were exercised. Votes were counted and successful candidates were announced. Losers had nothing to do but to accept defeat. Winners were sworn in to assume duty. This activity is so tactful because it is not easy to determine one's fate before polls.
