Our school has got two football teams. There is a junior team and a senior team. Our sports teacher, Mr Ngobi George called all the senior team players for a meeting to choose a captain on Thursday morning. He told us that a team captain must be an active boy with interest in sports.

Kennedy , who plays number five , suggested Ronnie to be our captain. He told us that Ronnie is an active, humble, and wise .However, Herbert who plays number three suggested Mutebi as the captain because he is a quite boy. Herbert also said that Mutebi is a strong, brave and well disciplined boy.
