

## SENIOR 3 MUSIC

1. Sing through a nursery rhyme you know very well and write the music on the stave in C major and in D major. You do not need to write the words.( Suggestion: Twinkle, Twinkle Little Star)
2. Listen to one song by either Wilson Bugembe, Julianna Kanyomozi, Judith Babirye or Celine Dion and analyse it. Consider the aspects that make up the song like instrumentation, dynamics (e.g mf, pp, f, ff...), whether it is a solo or otherwise, female or male voices, harmony, rhythm and melody, and any other feature you find interesting about it.
3. a) Explain what is common between J.S. Bach and F.Handel and what is different.  
b) Clearly explain the factors that contributed to their progress as great musicians.  
(Discuss one composer at a time)
4. Considering **one** folk dance (traditional) you witnessed at GAPA FEST, 2014, explain the role of costume.
