53. ***Read the poem and answer the questions about it in full sentences.***

Good behaviour creates friends
Because a friend in need is a friend indeed.
But bad behaviour creates enemies.
That's why we need to be kind any humble.

Good behaviour
Friends give us company,
In times of sorrow,
Friends comfort us,
That's why it is good to have good behaviour,
To make life easy.

Good behaviour
A friend is like a bank
Whether borrowing or lending,
A friend in need is a friend indeed,

That's why we need to be polite and honest.

Good behaviour
When we are wrong,
We just need to say sorry to friends,
Or forgive me dear,
Because soft words break no bones,
But bring peace and justice.
