

## P.5 English class work Notes Week one(3/June/2020)

**Sub-topic:** Adverbs.

Adverbs are words that tell **how, when, where**, or to what extent an action was done. In other words, adverbs can also be defined as words that generally answer to questions like: **Where? , When? , How?** and In what manner ?.

### **Examples of adverbs**

often, always, now, soon, slowly, quietly, politely, quite, today, tomorrow, yesterday, rarely, fast, slightly, very, long, then, here, quietly, hard, promptly, alike, neatly, carefully, generally, nicely, truly, silently, quickly, softly, happily, rudely, kindly, dangerously, angrily, hurriedly, gently, smartly, shabbily, noisily, sadly, badly, fairly, loudly, narrowly, beautifully, ably, suitably, correctly, wrongly, heavily, etc.

### **Activity.**

Underline adverbs in sentences below.

1. We finished our homework very quickly.
2. The priest was slightly late for the service.
3. Our school driver rarely wears his black shoes.
4. Sarah often goes the market to buy food.
5. My friends usually play football before having lunch.
6. Mr. Lumumba is a happily married man.
7. Did you arrive at school late yesterday?
8. The bad boys narrowly fell down yesterday.
