Class:

Literacy

Lesson Objective: To be able to find match the pictures with the words

The activity on the pages below is to distinguish between words and pictures. The child identifies each word and draws a circle around it. Ask your child what he or she thinks the word says. This activity reinforces letter to word speech associations and encourages your child to 'read' the words with their picture associations.

Find the words

Draw a circle around each word. What do you think the words says?
