

WEEK THREE ENGLISH CLASSWORK FOR PRIMARY FOUR.

Thursday Lesson : Comprehension.

Study John's future plan very carefully and answer the questions that follow correctly.

My name is John Kinobe. I'm 9 years old. I'm in Primary Four D this year. This is the saddest year of my life because I have missed school so much. I feel so stressed because I miss a lot about my school like teachers, friends and the feeling of being in my class. Ever since I got promoted to P4, I got a plan to work so hard and become a teacher. My teacher of French inspires me to be one. He is so kind, smart, hardworking and intelligent.

I want to be a teacher so that I can build a school and teach so many children. When I build the school, I will make sure all the street children in my area get free education and become better people in future.

I also want to be a teacher so that I can teach other children so that they become wonderful citizens. Besides that, I also want to make some good money so that I can help helpless mothers in hospitals and towns. I feel so bad to see people who lack basic needs in life.
