

## **P.5 English class work Notes Week Three (22/June/2020)**

**SUBTOPIC:** Conditional sentences.

Conditional sentences are sentences that express an action being done under a certain condition.

Conditional sentences are divided into three ie

1. conditional one ( if 1)
2. conditional two ( if 2)
3. conditional three ( if 3 )

### **If 1**

If 1 or conditional one is used when we want to express that something will happen if a certain condition is fulfilled e.g.

1. If I get money, I will buy an envelope.
2. If mummy comes back from work, she will prepare chapatti for us.
3. Tom will perform well if he works hard.

### **Note :**

1. A conditional sentence has got two parts namely **if clause** and **main clause**
2. In if 1, we use the present simple tense in the if clause and future simple tense in the main clause.
3. When an if clause begins a sentence, a comma follows. If it comes last, there is no need for a comma
