FRIDAY, JANUARY 29TH, 2021
PRIMARY FOUR SCIENCE WEEKEND WORK

NAME: _____

1. How can we make water safe for drinking?

2. Give one reason why animals move from one place to another.

3. Mention any one item that can be used to give first aid.

Below is a garden tool. Use it to answer questions 4 and 5.

4. What name is given to the garden tool above?

5. During what activity of crop growing is the above tool applied?

6. How is chlorophyll important during photosynthesis?

7. Name the type of worm that enters the body through eating half cooked meat or pork.

8. State one example of a leguminous crop.

9. State one vector that spreads cholera.

10. Why is a person preparing ORS advised to wash hands first?
