Hello Kate,

I hope you are doing fine and enjoying your vacation here in Uganda. Things here are quite different from what you have in London. There is no winter or summer here.

I have written this letter to invite you to our annual sports day. It will take place on Saturday.

Please come because I am of the participants. In fact I am participating in all races but my best are 100 and 200 meter races. No one has ever won me in those two. My teachers and fellow students are very proud of the record I have set. I would not like you to miss it for any reason.

Finally, I will be very happy if you came with your friends. It is going to be very interesting.

I really hope that you will come.

Your cousin,

Daniela
